

## INTERNATIONAL SYMPOSIUM ON DENTAL HYGIENE

Oral Health – New Concepts for the New Millennium  
1–3 July 2010

Glasgow, Scotland

### Call for Abstracts

The British Society of Dental Hygiene and Therapy (BSDHT) in conjunction with the International Federation of Dental Hygienists (IFDH) would like to invite colleagues from the international community to submit their abstracts to be considered for the ISDH 2010.

You may either send your nominations by post to:

**Marina Harris, President**  
**3 Kestrel Court**  
**Waterwells Business Park**  
**GLOUCESTER**  
**GL2 2AT**  
**UNITED KINGDOM**  
Or via e-mail @  
**enquiries@bsdht.org.uk**

The theme of the symposium is:

***Oral health –  
New concepts for the new millennium:  
new technology for preventing and treating diseases,  
including alternative treatments***

Please complete the 'Abstract Submission Form' for consideration by the Scientific Committee. Incomplete or incorrect Abstract Submission Forms will not be accepted.

Final selection of submitted abstracts will be at the discretion of the Scientific Committee of the BSDHT.

Submission of abstracts must be received by 20 February 2010.

Notification of acceptance of abstracts will be provided by 6 March 2010.

BSDHT welcome your support and participation.

**The winner in each category will receive free\* registration to the symposium.**

\* terms and conditions apply, please contact the BSDHT office for details
